

Stewart's Cheesecakes

Thank you for your order!

We would like to express our sincerest gratitude for you supporting our small business and elevating your celebration with Stewart's Cheesecakes!

Susan and Cameron Stewart III, owners

SERVING AND STORAGE INSTRUCTIONS

Keep your Stewart's Cheesecakes frozen until 45 minutes before serving. Slice your cheesecake after 15 minutes (we recommend 8-14 slices), while partially frozen, for clean, smooth cuts. Wrap leftovers tightly with plastic wrap and store in the refrigerator for up to 5 days or refreeze and store up to 3-6 months.

If you like our cheesecakes (and we're positive you will), please like us on Facebook, follow us on Instagram, leave a review on Facebook and or Google. and tag us in your photos!
